

Quality PRIEST'S HAND CLIPPERS Precision

TIGER

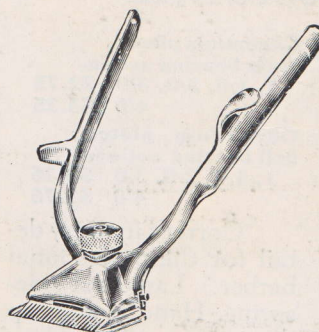

2/0, 3/0, \$1.00

Professional size neck shaver, with narrow plates and torsion spring action. Handles nickel plated, of non-rust zinc alloy, smoother and tougher than iron. Suitable to a man's hand and comfortable for a woman.

Weight, boxed 5-2/5 Oz.

COLUMBIAN

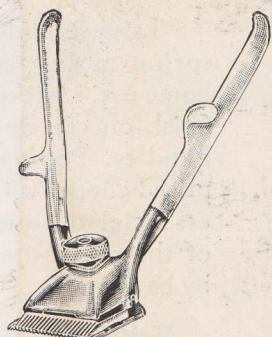

1, 1/0, 2/0, 3/0 \$1.25

Wide plates, fine teeth, torsion spring, malleable iron handles with nickel finish.

A simple clipper always effective and easily kept in order, convenient and suitable, according to cut, for all types of work.

Weight, boxed 7-1/2 Oz.

COMFORT

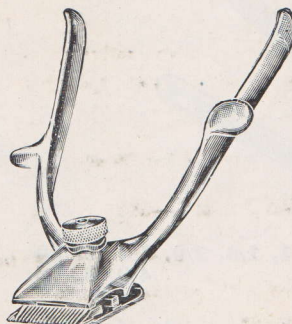

2/0, 3/0, \$1.25

Professional size neck shaver, with narrow plates, and torsion spring action. Die-cast zinc alloy handles. Combination nickel plate and lacquer finish. Furnished in blends of ivory with red, blue, and green, or in plain white. Pearl lustre, if desired.

Weight, boxed 5-2/5 Oz.

PERFECTION

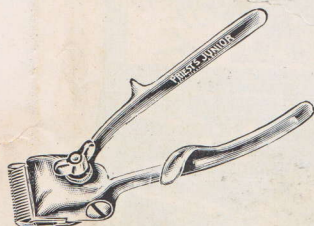

2/0, 3/0 \$1.50
4/0 \$1.75

Medium plates, fine teeth, torsion spring action, malleable iron handles, nickel plated.

The Perfection frames are exceptionally massive, but are shaped to the average hand with great exactness, so the weight is not embarrassing. Weight in the frames combines easy working with a powerful spring. Very durable.

Weight, boxed 8 Oz.

JUNIOR

2/0, 3/0 \$1.25
4/0 \$1.50

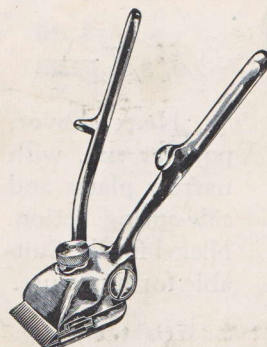

Narrow plates, side-spring action, die-cast zinc alloy handles, nickel plated. Extra closely spaced teeth in 4/0. Side-spring is adjustable.

Probably the most compact and easy working of small side-spring models, as it avoids features of design suitable only on large clippers.

Small grip adapts to woman's hand. Light weight and narrow plates for convenient trimming around neck and ears, or trimming bob.

Weight, boxed 4-4/5 Oz.

ROTA

2/0, 3/0 \$2.00 4/0 \$2.50

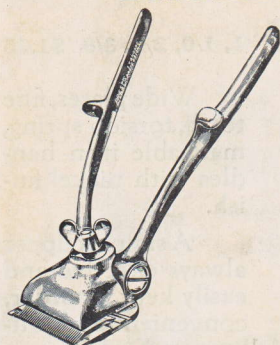

Narrow plates, adjustable side-spring action, malleable iron handles. Plates, handles, and small parts chromium plated, roller bearing action.

A deluxe model for beauty parlors. Avoids clumsiness of large side-spring models, yet possesses extra smooth action. The roller bearing is a new feature.

Weight, boxed 8 Oz.

Quality **PRIEST'S HAND CLIPPERS** Precision

STANDARD PROFESSIONAL

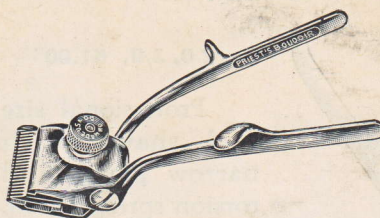

Chromium plated,
plain bearing action,
1, 1/0, 2/0, 3/0 \$2.75
4/0 \$3.25

Chromium plated,
ball bearing action,
1, 1/0, 2/0, 3/0 \$3.25
4/0 \$3.75

Correct in every detail for the professional barber. Large size side-spring. Handles and cap die-cast zinc alloy. Handles, plates and exposed parts chromium plated. 3/0 plates have special spacing of teeth.

Weight, boxed 9-3/5 Oz.

BOUDOIR

Nickel finish,
plain bearing action,
2/0, 3/0 \$1.25
4/0 \$1.50

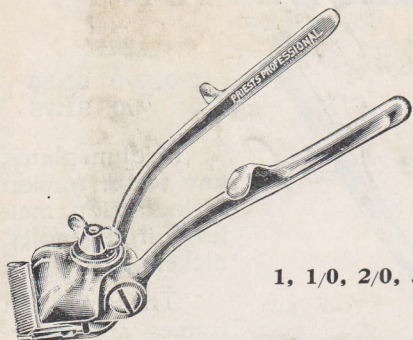

Chromium finish
ball bearing action,
2/0, 3/0 \$1.50
4/0 \$1.75

Trimming clipper, narrow plates, adjustable side-spring action, malleable iron handles, with either chromium or nickel finish.

Medium size as to leverage of handles, but light weight to give complete handiness.

Weight, boxed 6-4/5 Oz.

PROFESSIONAL

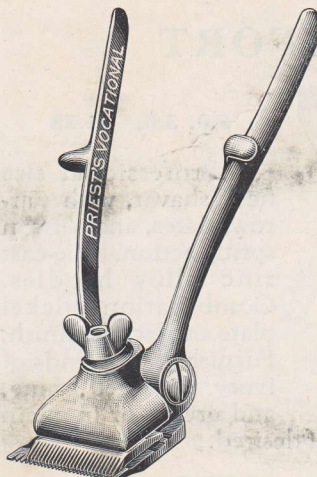

1, 1/0, 2/0, 3/0 \$2.50
4/0 \$2.75

Large size side-spring model, of exact type preferred by professional barbers. Zinc alloy handles, and cap, non-rust. Plates, handles, and all exposed parts nickel plated.

A workman-like clipper of severely professional type, available at a moderate price.

Weight, boxed 9-3/5 Oz.

VOCATIONAL

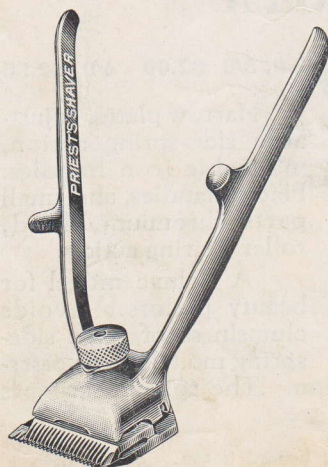

\$2.25
1/0, 2/0, 3/0, 4/0 \$2.90

Large size side-spring model for home use. Nickel finish on cap and handles. Popular priced clipper with essential qualities of the model used by barbers.

Weight, boxed 9-3/5 Oz.

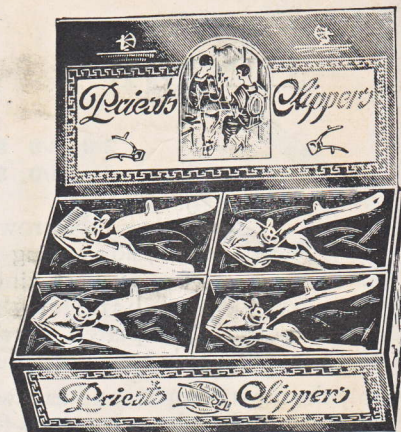

SHAVER

\$.90
2/0, 3/0 \$2.25

Neck shaver, popular size, with narrow plates and side-spring action. Nickel finish. Suitable for home use.

Weight, boxed 5-2/5 Oz.
